

Natural & Healthy Baby Food

PROGRESS JSC is a dynamically developing Russian production company, the leader in the domestic baby food market.*

The company produces and sells

- ✔ FrutoNanny baby food
- ✔ FrutoKids baby food
- ✔ Infany infant formula
- ✔ Malysham baby food
- ✔ Lipetsky Buvet mineral water
- ✔ Funny Yummy kids products

The Company's production site was launched in 1990 in Lipetsk and implemented the top trending technologies in compliance with the international food safety and quality standards. Our capacities produce 2+ billion packs per year. The PROGRESS products are distributed to all Russian regions and exported to 18 countries.

Our values

 **Development**

Knowledge and expertise, striving for continuous development, leveraging the state-of-art technologies and scientific achievements are our key goals

 **Responsibility**

Satisfied customers, company's success, the world around us are our responsibility

 **Partnership**

Collaboration, understanding of common goals, respect, mutual assistance and trust is what we build our business on

 **People**

We value everyone's contribution to the common result. Diversity, trust and unity are our strength

* Based on NielsenIQ RMS data for the "Total baby food" category for the period ending 31 December, 2024 for the Total National Urban Russia market (Copyright © 2024, Nielsen).
